#### **16.3.1 V-CIP Infrastructure**

- (a) India Shelter shall comply with the applicable directions prescribed by the RBI on minimum baseline cyber security and resilience framework as well as other applicable directions/ guidelines on IT related aspects.
- (b) The technology infrastructure should be housed in own premises of the Company, unless cloud deployment model is used, and the V-CIP connection and interaction should necessarily originate from its own secured network domain. Any technology related outsourcing for the process shall be compliant with the applicable RBI directions/ guidelines. If cloud deployment model is used, it shall be ensured that the ownership of data in such model rests with the Company only and all the data including video recording is transferred to the Company’s exclusively owned/ leased server(s) including cloud server, if any, immediately after the V-CIP process is completed and no data shall be retained by the cloud service provider or third-party technology provider assisting the V-CIP of the Company.
- (c) The Company shall ensure end-to-end encryption of data between customer device and the hosting point of the V-CIP application, as per appropriate encryption standards. The customer consent should be recorded in an auditable and alteration proof manner.
- (d) The V-CIP infrastructure / application should be capable of preventing connection from IP addresses outside India or from spoofed IP addresses.
- (e) The video recordings should contain the live GPS co-ordinates (geo-tagging) of the customer undertaking the V-CIP and date-time stamp. The quality of the live video in the V-CIP shall be adequate to allow identification of the customer beyond doubt.
- (f) The application shall have components with face liveness/ spoof detection as well as face matching technology with high degree of accuracy, even though

the ultimate responsibility of any customer identification rests with the Company.

Explanation : Making specific facial gestures, like blinking of eyes, smiling, frowning, etc. is not mandatory for liveness check. The company shall take due cognizance of special needs, if any, of the customer during liveness check.

- (g) Based on experience of detected / attempted/ 'near-miss' cases of forged identity, the technology infrastructure including application software as well as workflows shall be regularly upgraded. Any detected case of forged identity through V-CIP shall be reported as a cyber event under extant regulatory guidelines.
- (h) The V-CIP infrastructure shall undergo necessary tests such as Vulnerability Assessment, penetration testing and a security audit to ensure its robustness and end-to-end encryption capabilities. Any critical gap reported under this process shall be mitigated before rolling out its implementation. Such tests should be conducted by the empaneled auditors of Indian Computer Emergency Response Team (CERT-In) and shall be in conformity with the applicable regulatory guidelines.
- (i) The V-CIP application software and relevant APIs / webservices shall also undergo appropriate testing of functional, performance, maintenance strength before being used in live environment. Only after closure of any gap found during such test, the application should be rolled out. Such tests shall also be carried out periodically in conformity with internal/ regulatory guidelines.

### **16.3.2 V-CIP Procedure**

- (a) India Shelter shall formulate as and when applicable a clear workflow and standard operating procedure for V-CIP and ensure adherence to it. The V-CIP process shall be operated only by officials of the Company, trained for this purpose. The official should be capable to carry out liveness check and detect any other fraudulent manipulation or suspicious conduct of the customer and act upon it. The liveness check shall not result in exclusion of person with special needs.
- (b) Disruption of any sort including pausing of video, reconnecting calls, etc., should not result in creation of multiple video files. If pause or disruption does not lead to the creation of multiple files, then the Company may not initiate a fresh session. However, in case of call drop / disconnection, a fresh session initiated.
- (c) The sequence and/or type of questions, including those indicating the liveness of the interaction, during video interaction shall be varied in order to establish that the interactions are real-time and not pre-recorded.
- (d) Any prompting, observed at end of customer shall lead to rejection of the account opening process.
- (e) The fact of the V-CIP customer being an existing or new customer, or if it relates to a case rejected earlier or if the name appearing in some negative list should be factored in at appropriate stage of workflow.
- (f) The official performing the V-CIP shall record video as well as capture photograph of the customer present for identification and obtain the identification information using any one of the following:
  - (i) OTP based Aadhaar e-KYC authentication.

- (ii) Offline Verification of Aadhaar for identification.
- (iii) KYC records downloaded from CKYCR in accordance with section 56 of the RBI KYC Directions, using the KYC identifier provided by the customer.

- (g) India Shelter shall ensure to redact or blackout the Aadhaar number in terms of Section 23 of the RBI KYC Directions.
- (h) In case of offline verification of Aadhaar using XML file or Aadhaar Secure QR Code, it shall be ensured that the XML file or QR code generation date is not older than 3 working days from the date of carrying out V-CIP.
- (i) Further, in line with the prescribed period of three days for usage of Aadhaar XML file / Aadhaar QR code, Officials shall ensure that the video process of the V-CIP is undertaken within 3 working days of downloading / obtaining the identification information through CKYCR/ Aadhaar authentication/ equivalent e-document, if in the rare cases, the entire process cannot be completed in one go or seamlessly. However, officials should also ensure that no incremental risk is added due to this.
- (j) If the address of the customer is different from that indicated in the OVD, suitable records of the current address shall be captured, as per the existing requirement. It shall be ensured that the economic and financial profile/information submitted by the customer is also confirmed from the customer undertaking the V-CIP in a suitable manner.
- (k) Officials shall capture a clear image of PAN card to be displayed by the customer during the process, except in cases where e-PAN is provided by the customer. The PAN details shall be verified from the database of the issuing authority including through Digilocker.
- (l) Use of printed copy of equivalent e-document including e-PAN is not valid for the V-CIP.
- (m) The authorised official shall ensure that photograph of the customer in the Aadhaar/PAN details matches with the customer undertaking the V-CIP and the identification details in Aadhaar/PAN shall match with the details provided by the customer.
- (n) All accounts opened through V-CIP shall be made operational only after being subject to concurrent audit, to ensure the integrity of process and its acceptability of the outcome.
- (o) All matters not specified under the paragraph but required under other statutes such as the Information Technology (IT) Act shall be appropriately complied with by the Company.

### **16.3.3 V-CIP Records and Data Management**

- (a) The Company shall ensure entire data and recordings of V-CIP shall be stored in a system/ systems located in India. The video recording is stored in a safe and secure manner and bears the date and time stamp that affords easy historical data search. The extant instruction on record management, shall also be applicable for the V-CIP.

#### **(F) ON-GOING DUE DILIGENCE AND MONITORING OF TRANSACTIONS**

##### **20. Monitoring of Transactions**

Constant monitoring is an essential element of effective KYC procedures. The loan facilities extended by India Shelter are tenure based with instalments paid through electronic clearing system (ECS) mandate, Direct Debit Mandate (DDM) or Automated Clearing House (ACH) with low incident of cash repayment.

Unusually large cash transactions will be rare given that India Shelter discourages cash repayments and does not accept any cash repayment higher than ₹2 Lakh in line with Section 269 ST of Income Tax Act. India Shelter will still pay special attention to all unusually large cash transactions as provided under the PML Rules or the RBI KYC Directions.

Monitoring for cash transactions especially for loan closures will be done and reviewed by India Shelter periodically for identifying anomalies and to carry out due diligence if required as to source of funds or re- verifying identity of the borrower.

Without prejudice to the generality of factors that call for close monitoring following types of transactions shall be monitored:

- (a) Large and complex transactions with unusual patterns, inconsistent with the normal and expected activity of the customer, which have no apparent economic rationale or legitimate purpose.
- (b) Transactions which exceed the thresholds prescribed for specific categories of accounts.
- (c) Cash repayments above certain thresholds.
- (d) Frequent prepayments above some thresholds not consistent with the customer's repayment capacity.
- (e) Frequent cash repayments.

The extent of monitoring shall be aligned with the risk category of the customer and shall be

ensured specifically in high-risk loan accounts.

## 21. Periodic Updation

The objective of periodic updation shall be to ensure that KYC information/ data collected under CDD up-to-date and relevant, particularly where there is high-risk. India Shelter shall adopt a risk-based approach for periodic updation of KYC information which shall be carried out as under:

- (a) once in every two years for high risk customers;
- (b) once in every eight years for medium risk customers; and
- (c) once in every ten years for low risk customers.

The timeline for updation KYC information shall start from the date of opening of the account or the date of last updation of KYC information, whichever is later.

In respect of an individual customer who is categorized as low risk, the company shall allow all transactions and ensure the updation of KYC within one year of its falling due for KYC or upto June 30, 2026, whichever is later. The company shall subject accounts of such customers to regular monitoring. This shall also be applicable to low-risk individual customers for whom periodic updation of KYC has already fallen due.

### 21.1 Individual Customers

- (a) **No change in KYC information:** In case of no change in the KYC Information, a self-declaration from the customer in this regard shall be obtained through customer's email-id, customer's mobile number, digital channels (such as online portal or mobile application of India Shelter), letter registered, etc.
- (b) **Change in address:** In case of a change only in the address details of the customer, a self-declaration of the new address shall be obtained from the customer through customer's email-ID, customer's mobile number registered with Company, digital channels (such as online portal or mobile application of India Shelter), letter etc., and the declared address shall be verified through positive confirmation within two months, by means such as address verification letter, contact point verification, deliverables etc.

Further, India Shelter, may obtain a copy of OVD or deemed OVD or the equivalent e-documents thereof, as defined in Paragraph 7(w) of this Policy, for the purpose of proof of address, declared by the customer at the time of updation/ periodic updation.

- (c) **Aadhaar OTP based e-KYC in non-face to face mode** may be used for updation/ periodic updation. It may be noted that the conditions stipulated in Sub-paragraph 16.2 of this Policy shall be not applicable in case of updation / periodic updation of KYC through Aadhaar OTP based e-KYC in non-face to face mode. Declaration of current address, if the current address is different from the address in Aadhaar, shall not require positive confirmation in this case. However, the Company shall ensure that the
- (d) mobilenummer for Aadhaar authentication is same as the one available with them in the customer's profile, in order to prevent any fraud.

### 21.2 Customers other than Individuals:

- (a) **No change in KYC information:** In case of no change in the KYC information of the LE customer, a self-declaration in this regard shall be obtained from the LE customer through its email ID registered with India Shelter, digital channels (such as online portal or or mobile application of India Shelter), letter from an official authorized by the LE in this regard, board resolution etc.

Further, Company shall ensure during this process that Beneficial Ownership (BO) information available with them is accurate and shall update the same, if required, to keep it as up-to-date as possible.

- (b) **Change in KYC information:** In case of change in KYC information, officials shall undertake the KYC process equivalent to that applicable for on-boarding a new non-individual customer.

**21.3 Additional measures-** In addition to the above, the Company shall ensure compliance with the following:

- (a) The KYC documents of the customer as per the current CDD standards are available with them. This is applicable even if there is no change in customer information but the documents available with the Company are not as per the current CDD standards.
- (b) In case the validity of the CDD documents available with the company has expired at the time of periodic updation of KYC, the officials shall undertake the KYC process equivalent to that applicable for on-boarding a new customer.
- (c) A customer's PAN details, if available with the Company, is verified from the database of the issuing authority at the time of periodic updation of KYC.
- (d) Once updated KYC documents/ information are provided to it, the Company shall provide an acknowledgment to the customer mentioning the date of receipt of the relevant document(s) including self-declaration from the customer, for carrying out updation/ periodic updation. Further, it shall be ensured that the information / documents obtained from the customers at the time of updation/ periodic updation of KYC are promptly updated in the records / database of the Company and an intimation, mentioning the date of updation of KYC details, is provided to the customer.
- (e) In order to ensure customer convenience, the Company shall consider making available the facility of updation/ periodic updation. of KYC at any branch.
- (f) Further, the Company shall adopt a risk based approach with respect to periodic updation of KYC and, as per discretion of the Principal Officer or any member of the Senior Management, the Company may decide to obtain recent photograph, requirement of physical presence of the customer, requirement of periodic updation of KYC only in the branch where account is maintained, a more frequent periodicity of KYC updation than the minimum specified periodicity etc.
- (g) The Company, in order to comply with the PML Rules, shall bind its customers, through a loan agreement or any other relevant document, that, in case of any update in the KYC information/ documents submitted by the customer at the time of establishment of business relationship or last submitted, the customers shall be required to submit to the Company the update of such documents, within 30 days of the update to such documents.
- (h) The Company shall ensure that their internal KYC policy and processes on updation / periodic updation of KYC are transparent and adverse actions against the customers should be avoided, unless warranted by specific regulatory requirements.
- (i) **Due Notice for Periodic Updation of KYC:** The company shall intimate its customers, in advance, to update their KYC. Prior to the due date of periodic updation of KYC, the company shall give at least three advance intimations, including at least one intimation by letter, at appropriate intervals to its customers through available communication options/ channels for complying with the requirement of periodic updation of KYC.

Subsequent to the due date, the company shall give at least three reminders, including at least one reminder by letter, at appropriate intervals, to such customers who have

still not complied with the requirements, despite advance intimations. The letter of intimation/ reminder may, *inter alia*, contain easy to understand instructions for updating KYC, escalation mechanism for seeking help, if required, and the consequences, if any, of failure to update their KYC in time. Issue of such advance intimation/ reminder shall be duly recorded in the company's system against each customer for audit trail. **Exceptional Measure for KYC updation:**

The company can require a recent photograph, physical presence, or a more frequent updation schedule than the minimum prescribed from the customers in exceptional cases.

## **22. Monitoring vis-à-vis the Negative List or Adverse Information Received**

The Company shall ensure monitoring of its customers vis-à-vis the following information:

- (i) Probable match of a customer's identity with the details provided in the UN Sanctioned Terrorist List, other lists prescribed in the Policy or any other lists prescribed by the RBI.
- (ii) Any material complaint or alert, from a money laundering risk perspective, received against customer of the Company.
- (iii) Query or information received from a Law Enforcement Agency regarding a customer of the Company.

## **23. Periodical Review of Risk Categorization**

The Company will put in place a system of periodical review of risk categorization of accounts. The Company will carry out such a review of risk categorization of customers at a periodicity of not less than once in six months, and, the Company shall assess the need for applying enhanced due diligence measures.

Further, High risk accounts shall be subjected to more intensified monitoring.

## **(G) ENHANCED DUE DILIGENCE**

### **24. Enhanced Due Diligence (EDD) Measures**

The Company, for its medium and high-risk customers, shall conduct the EDD. Any business relationship with a high risk or medium risk customers shall require approval from a credit authority higher to the first level of credit authority matrix. Further, any suspicious triggers relating to higher risk customer's transactions shall be reviewed more rigorously.

For higher risk customers, as part of the EDD measures, the Company shall collect additional information and documentation regarding the following if already not collected as part of CDD:

- (i) Purpose of the account/ end-use.
- (ii) Source of income/ funds.

Any clause or reference in the policy document which is contrary to or on violation of statutory or regulatory shall be deemed to be severed from the Policy.

#### ***Annexure I***

#### **DIGITAL KYC PROCESS**

If the Company, in future, intends to implement Digital KYC Process, it shall adhere to the following requirements:

1. The Company shall develop an Application for Digital KYC process which shall be made available at customer touch points for undertaking KYC of their customers and the KYC process shall be undertaken only through this authenticated application.
2. The access of the Application shall be controlled by India Shelter, and it should be ensured that the same is not used by unauthorized persons. Such an Application shall be accessed only through login-id and password or Live OTP or Time OTP controlled mechanism given by the Company to authorized officials.
3. The customer, for the purpose of KYC, shall visit the location of the authorized official or vice-versa. The original OVD shall be in the possession of the customer.
4. The Company shall ensure that the Live photograph of the customer is taken by the authorized officer and the same photograph is embedded in the Customer Application Form (CAF). Further, it shall be ensured that the system Application puts a water-mark in readable form having CAF number, GPS coordinates, authorized official's name, unique employee Code (assigned by REs) and Date (DD:MM:YYYY) and time stamp (HH:MM:SS) on the captured live photograph of the customer.

5. The Application shall have the feature that only live photograph of the customer is captured and no printed or video-graphed photograph of the customer is captured. The background behind the customer while capturing live photograph should be of white colour and no other person shall come into the frame while capturing the live photograph of the customer.
6. Similarly, the live photograph of the original OVD or proof of possession of Aadhaar where offline verification cannot be carried out (placed horizontally), shall be captured vertically from above and water-marking in readable form as mentioned above shall be done. No skew or tilt in the mobile device shall be there while capturing the live photograph of the original documents.
7. The live photograph of the customer and his original documents shall be captured in proper light so that they are clearly readable and identifiable.
8. Thereafter, all the entries in the CAF shall be filled as per the documents and information furnished by the customer. In those documents where Quick Response (QR) code is available, such details may be auto-populated by scanning the QR code instead of manual filing the details. For example, in case of physical Aadhaar/e-Aadhaar downloaded from UIDAI where QR code is available, the details like name, gender, date of birth and address can be auto-populated by scanning the QR available on Aadhaar/e-Aadhaar.
9. Once the above mentioned process is completed, a One Time Password (OTP) message containing the text that 'Please verify the details filled in form before sharing OTP' shall be sent to customer's own mobile number. Upon successful validation of the OTP, it will be treated as customer signature on CAF. However, if the customer does not have his/her own mobile number, then mobile number of his/her family/relatives/known persons may be used for this purpose and be clearly mentioned in CAF. In any case, the mobile number of authorized officer shall not be used for customer signature. The Company shall put in place adequate checks to ensure that the mobile number used in customer signature is not the mobile number of the authorized officer.
10. The authorized officer shall provide a declaration about the capturing of the live photograph of customer and the original document. For this purpose, the authorized official shall be verified with One Time Password (OTP) which will be sent to his mobile number registered with India Shelter. Upon successful OTP validation, it shall be treated as authorized officer's signature on the declaration. The live photograph of the authorized official shall also be captured in this authorized officer's declaration.
11. Subsequent to all these activities, the Application shall give information about the completion of the process and submission of activation request to activation officer of the company, and also generate the transaction-id/reference-id number of the process. The authorized officer shall intimate the details regarding transaction-id/reference-id number to customer for future reference.
12. The authorized officer shall check and verify that:
  - (a) information available in the picture of document is matching with the information entered by authorized officer in CAF;
  - (b) live photograph of the customer matches with the photo available in the document.; and
  - (c) all of the necessary details in CAF including mandatory field are filled properly.
13. On Successful verification, the CAF shall be digitally signed by authorized officer who will take a print of CAF, get signatures/thumb-impression of customer at appropriate place, then scan and upload the same in system. Original hard copy may be returned to the customer.
